Theory Assessment

Fire Fighting Reference Manual

The Theory assessment will include questions around fire fighting procedures found in the IFSTA eBook Essentials of Fire Fighting and Fire Department Operations, 6th Edition

Published by: Fire Protection Publications, 2013 (ISBN: 978-0-87939-529-2)

Questions have been chosen from the following chapters:

- Chapter 5 – Fire Behaviour
- Chapter 7 – Portable extinguishers
- Chapter 16 – Fire Streams

Only these chapters need to be studied.

The eBook can be purchased at:
